A MULTIBRAND COMPANY

Constant and continuous commitment

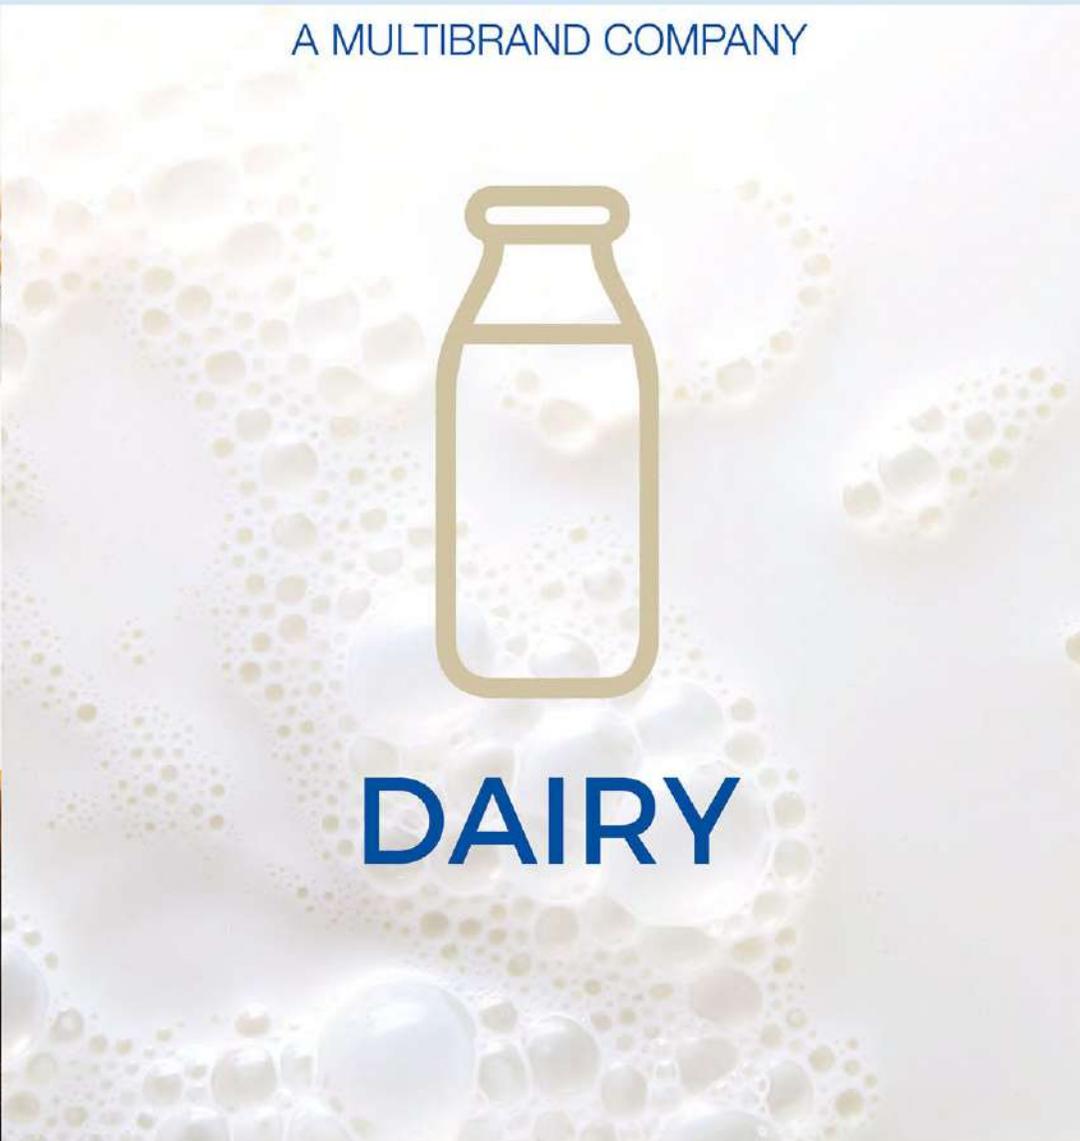

Newlat Food has always been synonymous with food **quality** and **safety**, guaranteed by its selection of the best raw ingredients and scrupulous controls over the product during all stages of the production cycle.

As well as being benchmarks in the food market, Newlat Food products have one common denominator: **excellent quality** through continuous technological innovation, while always paying full attention to tradition.

Centrale del Latte d'Italia

Centrale del Latte d'Italia SpA, was founded in 2016

through the merger of the Centrale del Latte di Torino group and the Centrale del Latte della Toscana, leaders in their regions of origin: Piedmont, Liguria, Tuscany and Veneto.

In 2020, with its entry into the group, Newlat Food

established itself as the third player in the Italian milk and dairy market with a significant market share at national level.
